EXTRA CURRICULAR ACTIVITIES

- Social club Co-ordinator
- Department Executive Member

PROJECT: Online Cheque Deposit

Techniques: Java & Oracle SQL

Algorithm: RSA

Description:

Our project is about depositing a Cheque through online by using mobile devices. First of all the user-A has to login himself as a net banking user then have to fill the required fields in the online cheque leaf to generate a cheque image. After that we could download the cheque leaf in encrypted format. Now we can send that encrypted image to user-B via mail then he will upload that image to his reputed bank website. After that the image will be decrypted with the reference of user-A's bank. Once the decrypted image was matched to the actual cheque image then the amount will be deposited.

ACHIEVEMENTS

- **First Prize** in Paper Presentation at National level Technical Symposium, Sasurie College of Engineering.
- **First Prize** in Paper Presentation at Inter Department Meet, Nandha College of Technology.
